COMPANION ANIMALS IN NEED OF GOOD HOMES

ASIA

This is Asia!

She is a gorgeous Boxer cross of 6-7 years old. She came to us through no fault of her own – her owner had to move and was unable to take her with them.

Asia has an absolutely beautiful nature and is friendly with everyone she meets. She adores people. As you can see from all her pictures she loves going for her walks. (She is very photogenic!!) She enjoys walking in the countryside and will roll and bound in the long grass!

Asia must go to a single animal household as she does not like cats and would not appreciate living with a dog - she loves all the attention to herself! Asia can get on marvelously with dogs, and regularly goes out on long walks with a staff members own dog, whom she adores. Asia has attended training classes with us and performed brilliantly in all respects. She knows all of the basic commands and is very obedient, and is an extremely intelligent dog. Asia is such a happy dog and is laid back. She is well behaved in a home environment.

Asia is a fantastic dog who really deserves the chance to be living in a happy home where she so longs to be.
